

Simple and effective Fog 40 is the most effective solution for cooling, humidifying, creating special fog effects, and controlling dust and odours in small areas. The system can be connected to both 360° and in-line cooling systems and can be conveniently controlled from a distance by remote control.

The advantages of Fog 40

The pump installed works without valves, without plungers, without seals, and without oil

Equipped with 4 support feet and a handle to facilitate moving, and it also can be hung on the wall without using shelves

Remote control with a range of 30m

Maintenance costs reduced by 80%

TECHNICAL DATA

CODE	Model	No. of nozzles	Pressure	Flow rate	Power	Weight	Dimensions WxLxH (mm)
ZX.8062	Fog 40-70	min 10-max 35*	40bar	70l/h	375W, 230V-50Hz	15kg	250x390x210
ZX.8063	Fog 40-150	min 25-max 75*	40bar	150l/h	700W, 230V-50Hz	18kg	250x390x210

* The maximum number of nozzles has been calculated using a nozzle with flow rate 0,15l/min. (MT.154C-RB4)

HIGHLIGHTS

PLUS

Considerably reduces the temperature
No wetting
Keeps mosquitoes away

CONNECTION BOX FOR

Led
Fans
Remote control
Electric float
UV lamp

FOG 40 CONTROLS

ON/OFF general
ON/OFF misting (continuous work)
PAUSE/WORK time setting keys adjustable from 1s to 60min
ON/OFF fan
ON/OFF lights
Indicator for electrical current
Indicator for motor running
Indicator for no water

FAST AND PRECISE CONTROL ALWAYS HANDY

The convenient remote control makes it possible to switch the lights, misting, and fan off and on

TECHNICAL DATA

Frame made of powder painted galvanized plate
Motor-pump 1450Rpm, 230V-50Hz with volumetric vane pump
L.p. solenoid valve 230V-50Hz, inlet water
H.p. solenoid valve 230V-50Hz, to discharge the line
L.p. pressure switch for lack of water
By-pass valve
Control panel complete with: thermal ON/OFF switch, continuous working mode or work pause with 3 settings. Preset for connecting external devices (level sensors, fans, UV lamps, lights)

STANDARD EQUIPMENT

Remote control:
Maximum range 30m with 4 channels, preset with pump on/off key, light switch-on/off, and combined switch-on/off of pump and fans
