FOG 70 LIBERO

**HIGHLIGHTS**

- Ultra-compact
- Close-up of brass manifold with push-button
- Optional flexible hose with long-life stainless steel connector
- 2-year warranty

Professional and essential. The solution offering optimal price-quality ratio to significantly lower temperatures, humidify, and suppress dust and odours in medium sized environments.

**TECHNICAL DATA**

- **Base**: galvanized steel
- **HP crankshaft** pump, 3 ceramic pistons and brass head
- **Electric motor**: 1450Rpm 3400V-50Hz, 5kW
- **Pressure/flow rate regulator**
- **Pressure gauge**: with glycerine
- **Electrical panel**: complete with ON/OFF thermal magnetic cutout, and 5m electric cable

**OPTIONALS** / ZK.170F08

- **ZX.0302-R**: Water inlet kit 10" complete with pressure stabiliser, support bracket, string wound cartridges of 5 and 10μm, connection hose and tightening spanner
- **ZX.1642-R**: 3-stage water inlet kit 10" complete with pressure stabiliser
